# Maryland Historical Trust Maryland Inventory of Historic Properties Form

Inventory No. HA-986

Name Schissler-Cassilly House  
**Addendum-December 2010**

Although access to the property was limited due to lack of access permission, the portion of the house that was visible from the public right-of-way appeared very similar to the photograph in the earlier survey form. Reference to oblique aeriels on the [www.bing.com](http://www.bing.com) website also reveals that the house has been little changed since the time of the earlier survey and retains architectural integrity.
